

PSCA SPECIAL INTEREST GROUP(SIG)- MENTORING

WHAT IS IT?

The Mentoring Special Interest Group (SIG) is a space for school counselors to connect, collaborate, and discuss ideas for mentoring across Pennsylvania. Whether you're passionate about supporting others or curious about how mentoring can make a difference, this group provides a welcoming environment to explore possibilities and contribute to meaningful conversations that inspire change.

Who can join?

Any and all school counselors with a passion for supporting & guiding others. Collaborating and discussing mentoring and ideas for school counselors in our state is a great first step in developing a strong, unified professional identity!

Purpose

The Mentoring Special Interest Group (SIG) exists to bring school counselors together to explore, discuss, and support the development of mentoring opportunities across Pennsylvania. By fostering open conversations, sharing ideas, and building connections, the SIG aims to inspire and promote impactful mentoring practices that enhance professional growth and collaboration within the school counseling community.

Benefits

- **Professional Growth:** Gain insights and ideas to enhance your practice through discussions on mentoring and its impact.
- **Networking Opportunities:** Connect with like-minded school counselors from across Pennsylvania and expand your professional circle.
- **Collaborative Space:** Share your experiences and learn from others in a supportive, solution-focused environment.
- **Inspiration for Change:** Contribute to meaningful conversations that can shape mentoring initiatives and strengthen the profession.
- **Leadership Development:** Explore opportunities to lead discussions, propose ideas, or champion mentoring efforts on a statewide level.
- **Flexible Participation:** Engage in ways that fit your schedule and interests—whether through active involvement or by simply joining the conversation.
