

Pennsylvania School Counselors Association
65th Annual Conference
FACING CHALLENGES TOGETHER
December 3-4, 2020

Skill Builder Offerings

The change to a virtual conference has resulted in changes in the way skill builders are presented. We are currently working with presenters to determine their availability and comfort with the new presentation process. Skill builder topics, presenters and descriptions will be posted on the website as soon as possible.

Featured Topics include:

- Implementing the ASCA National Model in a virtual world
 - NEW: PA RAMP portal
 - Diversity, Equity, and Inclusion
 - Solution-focused therapy
 - Ethical virtual counseling

**Coming soon...a more complete listing.
Please, check back often.**

Note: PSCA is an Act 48 provider through the PDE and is an approved provider through ACEP (Provider Number 2082). For the conference up to 24 contact hours may be earned ...if attending December 3 and 4 and through the "on demand" offerings through February 4, 2021.
